Foreword

The Connecticut Economic Development Catalogue is the entrepreneur's go-to guide for all of the valuable resources available in Connecticut. From venture capital and workforce development to incubators and industry associations, there is something for every organization looking to grow and thrive in our great state.

AdvanceCT's Business Retention and Expansion (BRE) team is dedicated to working hand-in-hand with companies investing in our communities. Please contact us if we can provide you with site selection assistance, support for workforce development, or connectivity to public or private organizations.

Editor's Note: This catalogue is subject to further revision as organizations are added, removed or updated according to new information. Please pardon any omissions as we continuously work towards a more comprehensive catalogue.

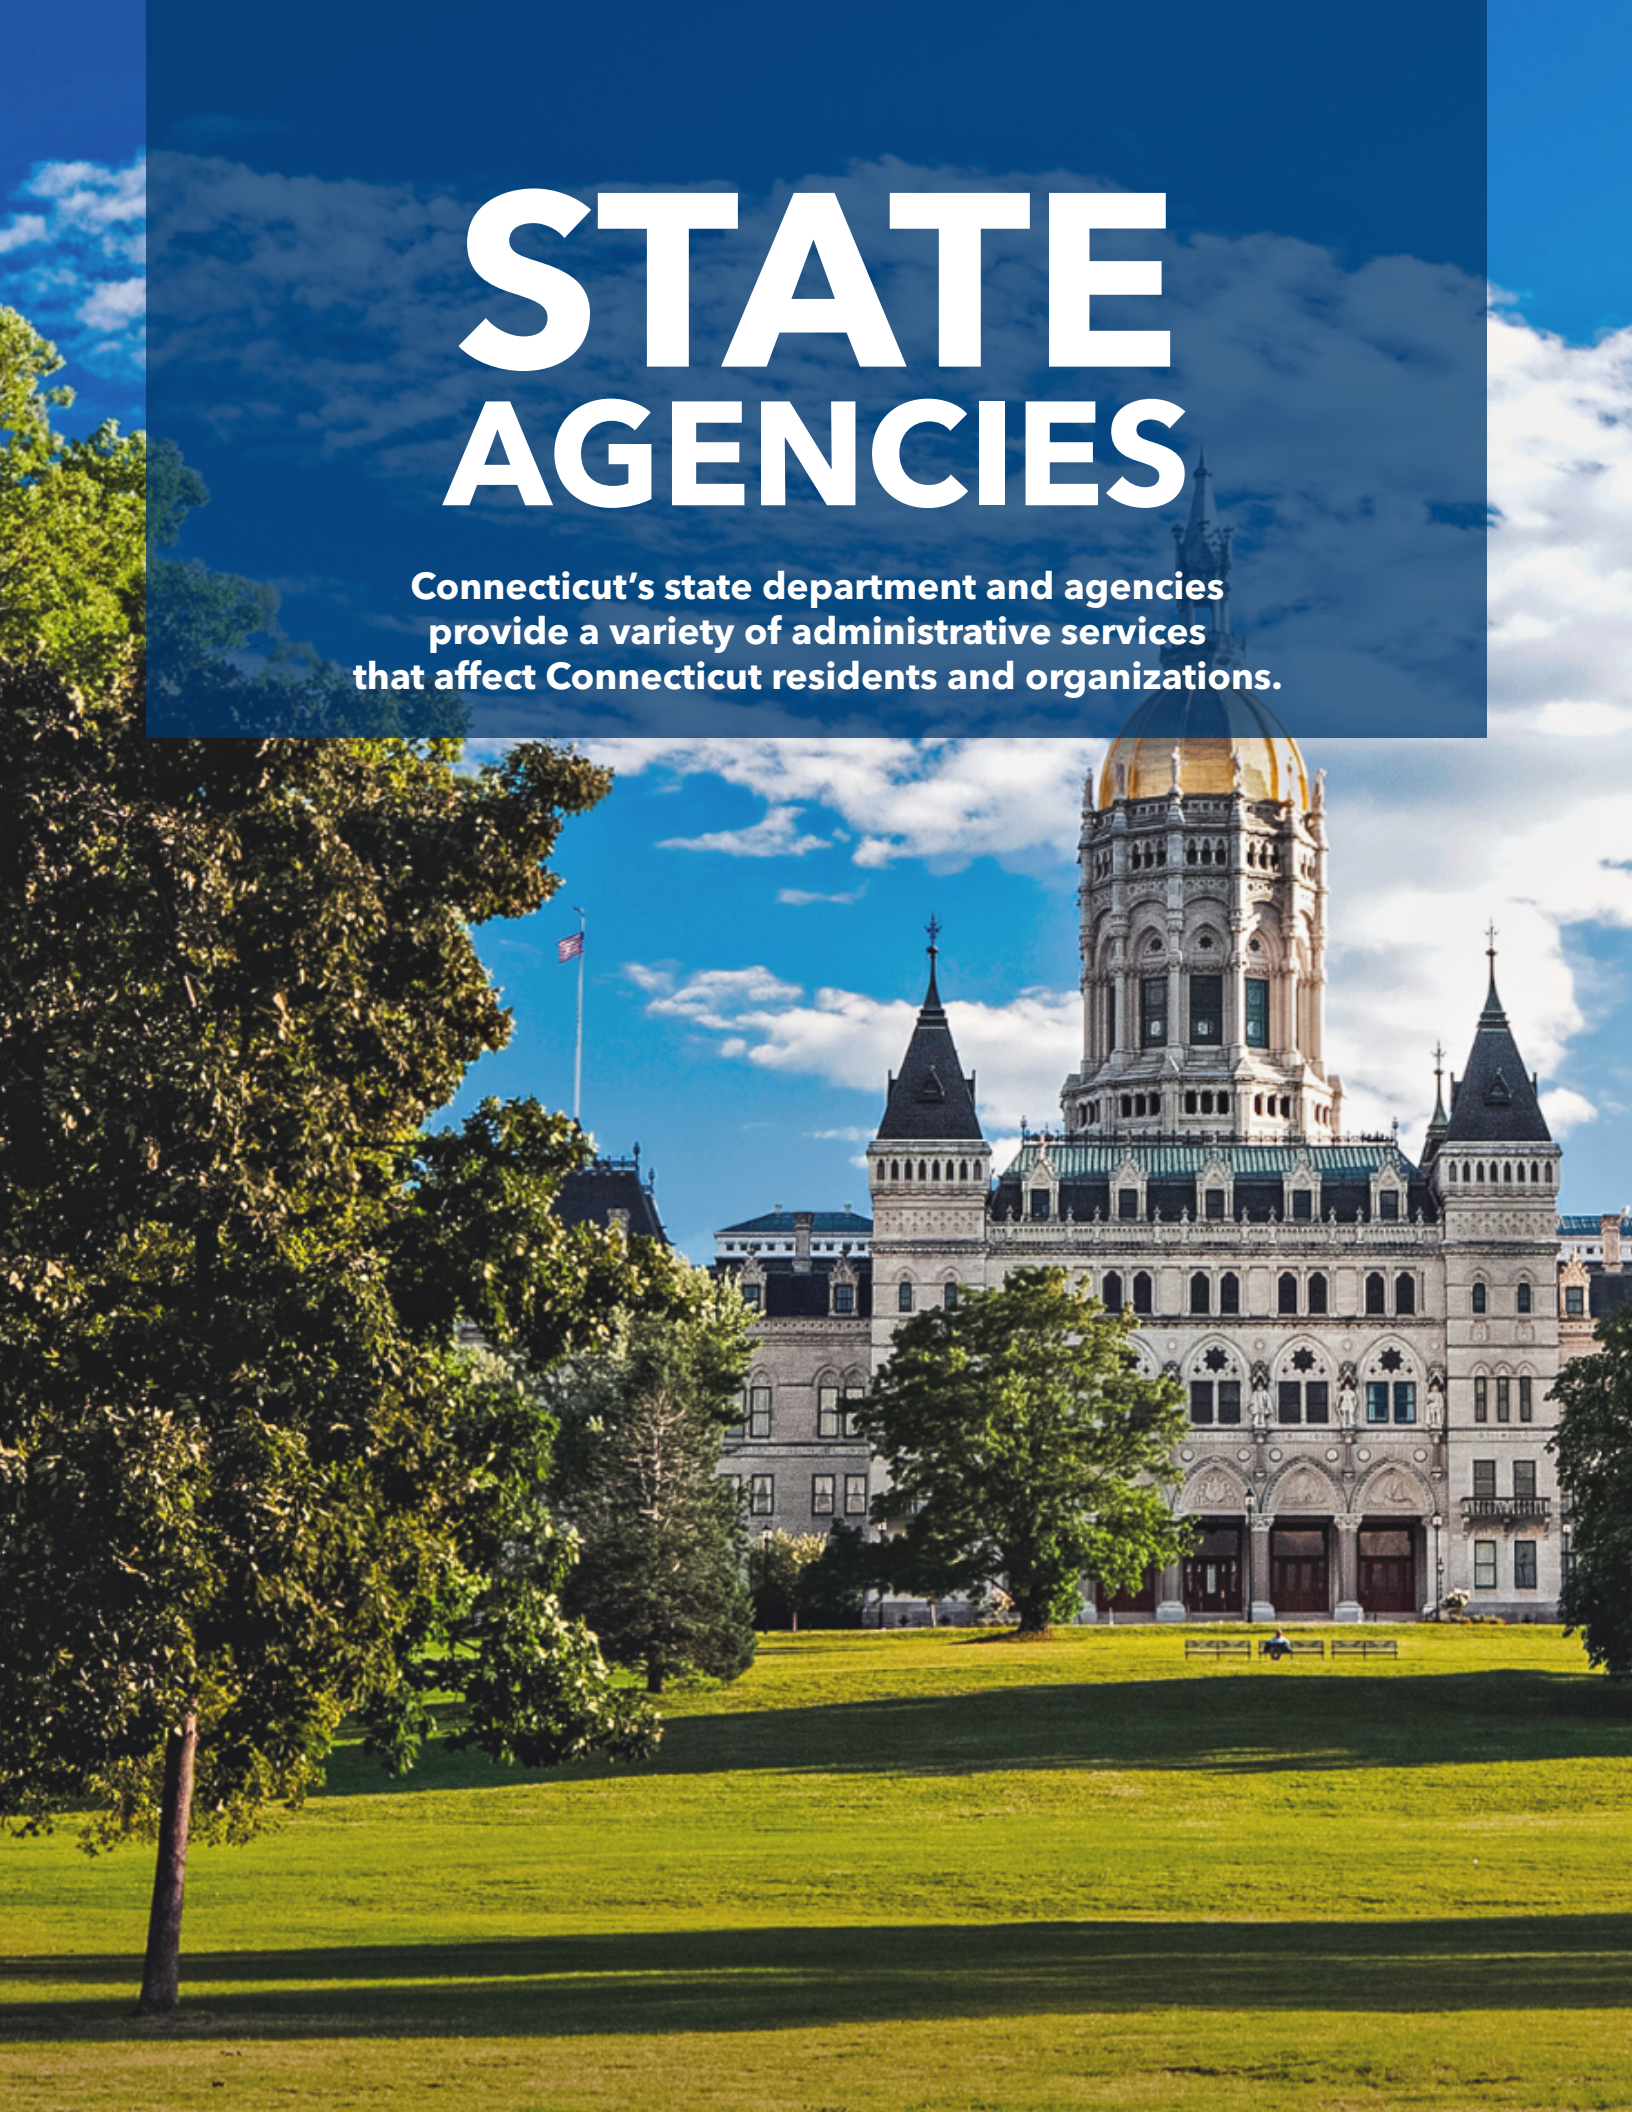

About AdvanceCT

AdvanceCT is a nonprofit organization that works to engage, retain and recruit businesses and advance overall economic competitiveness in Connecticut.

In collaboration with the Connecticut Department of Economic and Community Development (DECD), AdvanceCT strives to build a place where business, government, higher education, and nonprofits come together to implement high impact and inclusive economic development solutions for the state.
